

The most recent LG ANCCE web-site update is compatible with the most popular navigators (Explorer, Firefox, Chrome, Safari, Opera) and with the most common screen resolutions, as well as hand-held devices such as Smartphones and PDAs (Android, iPhone, Symbian)

To facilitate the process, we suggest that you <u>keep the Block Emergent Elements deactivated</u> (Pop-ups) and that you implement <u>maintenance of your cookies and temporary file history</u>. These options are found in the Tools, Configurations or Settings menu of your navigator.

The system accepts the following credit cards:
