

2018 Revision for Basic Aptitude as Breeding Stock in Ecuador to be held in November

Tue, 11/06/2018

The trip to Ecuador for Revisions for Basic Aptitude as Breeding Stock **will be undertaken in November**. Moreover, this Revision will also include a Performance Control for Conformation and all horses will be genetically assessed, which means that all breeders participating with their horses will be included in the PRE Breeding Program.

PRE breeders in Ecuador with horses three (3) years of age and older who would like to request the Revision of their horses should contact the International Collaborating Association **AECCPRE** by calling or by sending an e-mail to +593 256 1 423 aeccpre@caballospanolecuador.com.ec [1].

For queries about other Revisions, consult the [PRE Stud Book](#) [2] web site.
