Dear Breeder,

Please be informed that the LG PRE ANCCE Stud Book office will be celebrating a Revision for Basic Breeding Stock in Czech Republic **next June**.

Moreover, this assessment (Revision) includes Performance Control for Conformation, which will be later assessed genetically. This will facilitate breeder participation in the PRE Breeding Program with their horses.

For the LG PRE ANCCE Stud Book office to carry out this assessment, breeders must meet the following requirements:

1. [Request for Service \[1\]](#) sent in advance to the PRE Stud Book office in Sevilla by all stud farms located outside of Spain. Said Request must be duly completed with the breeder's contact information and must indicated the name/s and code/s of all horse/s to be assessed in section "B."
2. Pay for [Service 206 \[2\]](#) (using a credit card, whether Visa or MasterCard, PayPal or transfer) through our web site: www.lgancce.com [3].

The deadline for the reception of requests and payments is **Thursday May 31th, 2018**. After that date, you will be informed regarding the exact itinerary of the revisions.

Requests may be emailed to internacional@lgancce.com [4] faxed to +0034 954 953 989 or mailed to LG PRE ANCCE, Edificio Indotorre, Av. del Reino Unido 11, Planta 3ª -2. C.P. 41012 Sevilla. España.

Likewise, the following requirements must be complied with:

- a) The horse/s to be assessed must be in the name of the breeder requesting the service.
- b) The breeder must present the horse's original passport at the time of the assessment (revision).
- c) Horses may be presented for assessment (revision) once they are three (3) years of age.

Horses that fail to meet these requirements WILL NOT BE assessed.
