After that deadline, no amounts will be refunded; the amount will remain "in the favor of" that breeder, applicable to other PRE Stud Book services. The breeder may use this amount at any time and there is no time-limit.

- To facilitate the refund process, it is a good idea to include a copy of the bank receipt that corresponds to the mistaken amount for which you are requesting the refund.
- This form is not valid if there are amendments, erasures or if there is no signature.

(1) The beneficiary is responsible and accepts all bank charges/fees originating from the refund.
